Christian Hoffmann, *Brasserie Sous Chef*

Christian Hoffmann has many years of experience in fine dining across the German-speaking world. His career first took him to the Palais Coburg in Vienna, among other places, before he worked as a Chef de Partie at Schuhbeck's Check Inn in Frankfurt. This was followed by stints at the Gasthaus der Sinne and Johann Lafer's Le Val d'Or, where he worked as a Pastry Chef.

Starting in 2014, Hoffmann gained further experience at renowned Berlin restaurants. He began as a Chef de Partie at the Michelin-starred Skykitchen. This was followed by stints at the equally Michelin-starred First Floor, as well as at Restaurant Schwein, where he served as Sous Chef from 2016 to 2019. He then took on the position of Sous Chef at Eins44 and subsequently served as executive chef at Anouki.

From 2022 to early 2025, Christian Hoffmann worked as Sous Chef at Lorenz Adlon Esszimmer in Berlin, which held two Michelin stars at the time. He then moved to the one-Michelin-starred Berlin restaurant Golvet as Sous Chef. At Villa Florhof, Hoffmann now brings his creativity and many years of experience to the table as Sous Chef of the brasserie.
