Kilian Rainalter, *Hotel Manager*

Kilian Rainalter comes from a family of hoteliers in Allgäu (German region) and grew up surrounded by hospitality, service, and the operations of a family-run business. He laid the foundation for his career at the Innsbruck Tourism College, where he completed his training as a certified tourism manager from 2016 to 2018. He then studied tourism management at the University of Applied Sciences in Zittau/Görlitz and graduated in 2020 with a Bachelor of Arts degree.

Even during his training, Rainalter gained practical experience in the kitchen, front-of-house service, and wine. After his first positions in the hotel industry, he completed an internship at the Donatsch Winery in Malans in 2018. Additional qualifications, including the Young Sommelier of Austria, the Young Bartender of Austria, and training as a restaurant specialist, round out his profile.

His path into Switzerland's top-tier hospitality and gastronomy industry led him to Schloss Fürstenau. There, he worked as a Commis starting in November 2018 before moving to Casa Caminada as Assistant Restaurant Manager in the summer of 2019. He then worked as an Executive Assistant at Schloss Schauenstein until May 2023, where he further developed his experience in operational management and guest services.

Kilian Rainalter has been the project manager at Villa Florhof in Zurich since May 2023. In addition, since January 2025, he has served as Project Coordinator & Customer Experience Manager for Lalique Hospitality at the Lalique Group, where he is responsible for coordinating and further developing operations, marketing, sales, and guest experience.
